Receive back up to \$2,855 in Free Food and Case Rebates, with the Purchase of a Quik n' Crispy® Greaseless Fryer

QNC, Inc. has entered into a joint marketing program with a number of outstanding food processors that provides you with up to **\$2,105 in cash rebates - a dollar for dollar reimbursement, and \$750 in case rebates!** You receive coupons from leading food processors with your Quik n' Crispy. Purchase their eligible products from a food distributor of your choice, mail the coupons and invoices to the food processors, and they mail you a check.

We encourage you to contact the food processors listed below using their toll free numbers or websites and request information as to where you can purchase their products in your part of the country. Explain that you have purchased, or will soon be purchasing a Quik n' Crispy greaseless fryer. The coupons require that you purchase your food products through a commercial food distributor, not a wholesale club. **If you do not meet the minimum purchase amount from a food distributor for a delivery to your business, contact the distributor and order the products for pick-up at their facility.** This is typically called "Will Call".

If you have already purchased a Quik n' Crispy greaseless fryer, please review the enclosed coupons for information on qualifying products, effective dates, eligible customers, and restrictions. If you have any questions, please contact either QNC, Inc. at **1-888-NO-VENTS** (668-3687), or the appropriate food processor.
